

This guide is ordered as follows:

- **Information and advice** 1
- **Consultancy** 3
- **Research** 4
- **Trade associations** 6
- **Developing countries** 7
- **Training** 7
- **Mobile Displays** 8
- **Places to visit** 9
- **Case studies** 9
- **Grants and funding** 10
- **Grid connection** 11
- **Suppliers** 11
 - Household and garden products 11
 - Domestic systems 12
 - Photovoltaic panels 15
 - System components 17
 - Batteries 18
 - Control equipment 19
 - Solar roofs 19
 - Low voltage appliances 20
 - Monitoring 20
 - Tracking devices 21
- **Publications, periodicals and products available from CAT mail order** 21

Information and Advice

AGORES

Website. www.agores.org

A global overview of renewable energy sources. Extensive website gives information on policy, funding, technologies, projects etc.

CENTRE FOR ALTERNATIVE TECHNOLOGY

Machynlleth, Powys SY20 9AZ.

Tel. 01654 705989 **Fax.** 01654 702782.

email. info@cat.org.uk

Website. www.cat.org.uk

Visitor centre with displays on renewable energy, including PVs. At the time of its installation in 1996, CAT's integrated photovoltaic roof was the largest of its kind in the UK. Supplies solar products and publications through its shop and mail order service including PV panels, torches, small solar battery chargers and solar kits for educational projects. Also provides information, consultancy and courses on PVs. Offering with the University of East London an MSc Architecture: Advanced Environmental and Energy studies.

CENTRE FOR THE ANALYSIS AND DISSEMINATION OF DEMONSTRATED ENERGY TECHNOLOGIES (CADET)

Future Energy Solutions, Building 156,

Harwell, Didcot, Oxfordshire OX11 0QJ.

Tel. 0870 1906 339 **Fax.** 0870 1906 340.

email. enquiries@eetic.org

Website. www.caddet.org

Free internet database promoting innovative renewable energy and energy efficiency projects with potential for commercial replication – free download of publications as PDF's or available from the CADET Centre in hard copy.

ENERGYWATCH

Civic House, 156 Great Charles Street, BIRMINGHAM B3 3HN.

Tel. 08459 06 07 08 **Fax.** 0121 212 1492.

email. enquiry@energywatch.org.uk

Website. www.energywatch.org.uk

The Gas and Electricity Consumer Council established by the Utilities Act 2000. It has powers to acquire and publish information and investigate complaints. Completely independent from the energy industry and regulator. Expert body dealing with all consumer enquiries and complaints.

ENVIRONMENTAL DATA SERVICES Ltd.

Finsbury Business Centre,

40 Bowling Green Lane, London EC1R 0NE.

Tel. 020 7814 5300 **Fax.** 020 7415 0106.

email. post@ends.co.uk

Website. www.ends.co.uk

Produces environmental information for business and industry in the UK. Publishes the monthly ENDS report and a directory of environmental consultants.

EUROSOLAR UK

The Energy Store, Estate Yard,

Castle Combe, Wiltshire SN14 7HU.

Tel. 01249 783415

email. info@energy21.org.uk

Website. www.energy21.org.uk

The UK section of EuroSolar Europe – independent European solar energy association.

FUTURE ENERGY SOLUTIONS

AEA Technology, Building 153,

Harwell, Didcot, Oxfordshire OX11 0QJ.

Tel. 0870 190 6374 **Fax.** 0870 190 6318.

Website. www.future-energy-solutions.com

Co-ordinates development of renewable energy in the UK on behalf of the DTI. Research, development and demonstration programmes on energy efficiency, renewable energy and policy. Global overview of renewable energy resources / case studies on www.agores.org. Has published a useful 'Guide to funding resources for renewable energy in schools and colleges' (produced by the National Energy Foundation) describing existing projects in schools and funding on offer by various companies, charities and trusts.

GREEN ENERGY CENTRE

Ambassador House, 8th floor,

Bridgestock Road, Surrey CR7 7JG.

Tel. 020 8663 6617 **Fax.** 020 8663 6601.
